Effective from January 2012

All prices include GST and are subject to change

Please e-mail hire@turramusic.com.au or call 94498487

Opening Hours:

As Turramurra Music is closed on Sundays all equipment hired on Saturday is to be returned the following Monday. There is no extra charge for the Sunday.

With every hire there is a **\$20 maintenance deposit** against small marks, scratches and leads which are returned in either poor condition or rolled badly/incorrectly. This deposit will be returned **entirely at the discretion** of the staff member on duty at the time of the return.

All items hired are the responsibility of the client. As such we will take deposits by way of credit card details, cash or cheques as a regular practice.

We are always happy to customise systems to cater for individual requirements and specifications - Just call us on 9449 8487 and ask Paul Dengate for a quote.

All hires **subject to availability** - booking ahead recommended.
